

# CRUSADER CASH FUNDRAISING

## How does Raise Right/Crusader Cash generate revenue for St. James and my family?

The program acts on behalf of St. James to purchase large amounts of gift cards from grocery stores, department stores, and other retailers. Because the gift cards are purchased with cash up front through our vendor, the participating retailers offer a substantial discount – from 1% to 25%. Half that discount is St. James the Apostle School's revenue which is used to supplement the School operating budget. The other half of the discount is for your family's rebate account. At the end of the school year, you will get a rebate check (of family rebate amounts totaling \$20 or more).

## How do I purchase Crusader Cash?

You have a couple of options. The easiest is to purchase from the on hand inventory of bestsellers kept in the St. James School office including Jewel, Mariano's, Home Depot, Walmart, Target, BP, Shell, Panera, Starbucks and many more.

Second easiest way: **YOUR RAISE RIGHT APP**
